THE FARMHOUSE

Discreetly set in the centre of the holding and unseen by any neighbouring properties this is a two story 4 bed farmhouse with a large conservatory to the front of the property opening out on to a well stocked pretty garden. The house sits in a slightly elevated position with views of your own land from the ground and first floors. The property is approached over a private concrete driveway passing the pasture land and through the gardens up to the main dwelling. The house has rendered elevations under a slate roof. It has been extended historically and now offers four-bedroom accommodation with two bathrooms, a farmhouse style kitchen, open to a sitting area, separate sitting room and large conservatory to front, as well as a downstairs shower room, utility room with stairs to the first floor and a study on the ground floor. The windows are double glazed with a mix of timber, aluminum and UPVC.

ADJACENT FARM BUILDINGS

To the front of the house is a level garden, mainly to lawn and with a large patio by the conservatory. The garden overlooks the farm buildings and also the entrance drive, to which it slopes down to, with feature pond with bridge and informal garden area stretching around to rear garden. Rear garden has attractive shrubs and flowers and includes a greenhouse, a stone/block/slate outhouse (6.43 x 3.48) used as a freezer room and potting shed. Adjoining woodshed (5.0 x 3.84), pump house and also the concrete reservoir for the water at the rear of the house. The drive continues past the rear of the house and links back to the farm buildings via the garage/workshop (18.12 x 4.74).

THE FARM BUILDINGS

There is a good range of useful buildings located away from and below the farmhouse including two 40 ft general purpose buildings, further storage and a stone building which were once used for stabling close to the main house. the buildings comprise Timber/BP General Purpose Building 18.6 x 13.82 Now used for various storage and with earth floor., Concrete Block/BP Outbuilding in two sections 12.90 x 7.73 Former cubicle shed, now used for storage, 12.90 x 7.73 Machinery Store, Two Bay GI Shed 11.37 x 4.79 including lean to one end

THE LAND AND DECIDUOUS WOODLAND

Extending in total to some 38.8 Acres and completely surrounding the property there is approx 15 Acres of naturally regenerated woodland of Beech, Hazel Ash Oak and Birch to the north of the property set either side of the disused Barnstaple to Taunton railway (closed by Beeching in 1968) which forms an attractive feature of the property with the railway cutting providing a natural corridor for all manner of Local wildlife Flora and Fauna. There are then a series of pasture paddocks either side of the farmstead extending to approx 18 acres the balance of the land area being gardens buildings and driveway.
